

MVP Course Summary – through Army IgnitED

These instructions are provided to help you select the MVP Training Program that best suits your goal and flight experience.

MVP Aviation is a FAA Part 61 training provider and we leverage the flexibility allowed under CFR Part 61 to help you meet your goals. We have bundled our training in \$4,000 packages (approx.), to simplify the application process. If you do not fit within one of these categories, please contact us directly before applying through Army IgnitED. If you are already a military rated pilot and/or have a mixed bag of experience, your most flexible option will be MVP Bundle: **Commercial/Supplemental Rating - Phase V**

Corresponding Army IgnitED Course Option: **Commercial Pilot, Airplane Single Engine (ASE) Rating**

This bundle allows us to evaluate your current flight experience, then to use the Army IgnitED funding toward filling in the blanks which may lead to a Commercial or other advanced rating.

Questions? Please e-mail us at info@MVPaviation.com

Private Pilot - Phase I

(Prerequisite: little or no flight experience. Goal: to prepare for Solo Flight)

Private Pilot - Phase II

(Prerequisite: near solo, or recently soloed. Goal: to prepare for the Private Pilot Check Ride)

Instrument Pilot - Phase III

(Prerequisite: Private Pilot rated. Goal: to build cross-country/IFR experience)

Instrument Pilot - Phase IV

(Prerequisite: Private Pilot rated with cross-country/IFR experience. Goal: to prepare for the Instrument Check Ride)

Commercial/Supplemental Rating - Phase V

(Prerequisite: Private Pilot rated. Goal: to build cross-country/IFR/ or other required flight experience for an advanced rating)

Flight Instructor/Supplemental Rating - Phase V

(Prerequisite: Commercial Pilot rate. Goal: to prepare for the CFI or CFII Check Ride)

Private Pilot - Check Ride (final exam)

Instrument Pilot - Check Ride (final exam)

Commercial Pilot - Check Ride (final exam)

Flight Instructor - Check Ride (final exam)

(These four Check Ride options are available to allow you to complete the corresponding rating)

GO TO: <https://www.armyignited.com/app/> and start your application today. Be sure to search for “MVP Aviation, LLC as your provider,” then select the appropriate program. If you have any difficulties please contact your Army Education Center, or Army IgnitED Support. We, at MVP Aviation, would like to help more with the application process. However, we do not have access to the Army Education System (only to our vendor account).

Thank you!
